How Does Your Donation Help?

Every donation to our Giving Shoe Campaign helps provide a girl in need with a pair of running shoes so she can cross that finish line and BELIEVE she CAN.

Girls on the Run provides over 300 pairs of shoes to its participants annually. Wearing properly fit running shoes will not only help each girl be comfortable while training for her 5K, but these shoes will help keep the girls' bodies healthy and reduce injuries. Not only that but what girl doesn't like receiving a "new" pair of shoes!

Who Are We?

Girls on the Run of Greater Milwaukee is a non-profit 501(c)(3) organization whose mission is to inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running. More than just a running program, GOTR combines training for a 5K event with innovative lessons that encourage positive emotional, social, mental and physical development. The result: girls are empowered with the confidence and character they need to become strong, healthy women!
